Since 1992, people who care have been making gifts to the Cashiers Community Fund. Every gift is invested in the fund. Income from this $3.3 million endowment is allocated by the local board to make Cashiers better for all of us.

In the past year, the Cashiers Community Fund made sixteen grants totaling $147,500 to make a difference where it matters – right here in the Cashiers community.

You love your community – so do we.
