Since 1994, people who care have been making gifts to The Fund for Haywood County. Every gift is invested in the fund. Income from this $1.4 million endowment is allocated by the local board to make Haywood County better for all of us.

In the past year, The Fund for Haywood County made thirteen grants totaling $70,008 to make a difference where it matters – right here in Haywood County.

You love your community – so do we.
