Since 1996, people who care have been making gifts to the Highlands Community Fund. Every gift is invested in the fund. Income from this $1.6 million endowment is allocated by the local board to make the Highlands community better for all of us.

In the past year, the Highlands Community Fund made eleven grants totaling $58,000 to make a difference where it matters – right here in the Highlands community.

You love your community – so do we.
