Transylvania Endowment
2019 Report to the Community
Since 1998, people who care have been making gifts to the Transylvania Endowment. Every gift is invested in the fund. Income from this $1.6 million endowment is allocated by the local board to make Transylvania County better for all of us.

In the past year, the Transylvania Endowment made eleven grants totaling $62,815 to make a difference where it matters – right here in Transylvania County.
